END OF YEAR MESSAGE

Assalamu Alaikum,

Alhamdulillah we have come to the end of this academic year, it is with great pride that I can look back at the many achievements of the children.

I would like to take this opportunity to say JazakAllah Khairun to all staff for their hard work this year. It has been a year of many positive changes and they have embraced this with goodwill and continued to provide the best education for the children.

Also JazakAllah Khairun to all the parents and carers for their support this year. A great deal of what we do in school cannot be achieved without you and your co-operation and backing. We look forward to working closely with you once again from September.

Finally, I would like to wish all children who are leaving us at the end of this academic year all the very best on their journey. I know that they have all had a great start here at Quwwat-ul-Islam Girls' School and know that they will go on to achieve great things in the future, insha Allah.

Have a wonderful summer holiday and we look forward to seeing you all again in September, insha Allah.
