

Monday 16th March 2020

Dear Parent/Guardian,

Assalaamu Alaikum, I pray this finds you in the best of health and Imaan

Re: Coronavirus Information

As I am sure you are aware, in response to the ongoing Coronavirus outbreak the government has now announced that the country has moved out of the 'contain phase' and into the 'delay phase'.

As per the current advice, the school is asking that anyone, staff, parent or child, self-isolates for 7 days if they are showing symptoms of:

- a new, continuous cough and
- a high temperature.

If your child is unable to attend school as a result of this new advice, Please inform the school, by calling the main office in the usual way.

There is no intention at the current time to close the School. However, this is of course, subject to change, according to government guidance.

The School also wishes to alert you to the fact that pupils may need to be sent home or advised not to come to school at short notice, if there are insufficient teachers available to teach pupils due to the current situation. Should this be the case, and the school is directed or required to close, please be assured that measures are being put in place to allow the education of your child to continue remotely whilst they are at home.

I would like to thank you, as parents and carers, for your continued support.

Yours sincerely,
Mrs Member

Head teacher
