Dear Parent/Guardian

RE: Potential Changes to School Lunches

I pray this finds you in the best of health and Imaan.

We would like to inform you of the following information from our caterers regarding potential changes which may occur to school lunches during this uncertain period.

As you will be aware the UK is currently in the midst of the Coronavirus pandemic, and the repercussions are being felt within the food industry, with panic buying and food shortages at supermarkets and wholesalers. Unfortunately this will inevitably effect our line of business.

During this tough period, we will endeavour to ensure our menu remains the same, however if there is a problem where change is required, we will notify you at least 1 day in advance if not earlier.

As a school we will continue to monitor the situation closely and keep you updated to any changes regarding school lunches.

Kind Regards

Yours Sincerely
