

Drop Down Day

Quwwat ul Islam Girls' School

Year Group	Reception
Trip Location	In house
Our students had the opportunity to partake in indoor activities to gain a deeper understanding of homelessness and food poverty around the world. Our main focus was to focus on: • Learning Driver: 'Caring for our Rights' • UNCRC: Article 27 'Right to education'. You have the right to food, clothing, and a safe place to live and to have your basic needs met'. Students in reception year 1/2 had the opportunity to attend school in non-uniform, they were asked to dress up in warm clothing, which was to include a warm jumper to help them understand the importance of keeping warm, most students also bought in a pillow and a blanket to make shelter to help them understand the living conditions of homeless people. Students had the opportunity to make a healthy meal/snack to raise awareness of the food poverty around the world. Students had lots of fun making their food and then eating it. Also students took part in our annual fundraiser for 'Caritas Anchor House' students were asked to bring in £1 to donate to this charity.	

QUIGS - Drop Down Day Wednesday 20th October 2021
