QUIGS Drop Down Day-
Wednesday 25th May 2022

Year Group	7, 8, 9 and 10
Trip Location	Indoor activities
Year 7 - Silmi - Today I enjoyed the teacup race although I kept on spilling the water. I enjoyed cheering for the people in my team for the teacup race. I also liked the pin the lid on the teacup game because it was funny when Najma accidentally put the lid on miss Siraj's forehead. I enjoyed making Oreo truffles with my friends and dipping them in chocolate, I liked the bit where I made the heart truffles with my hands and got them messy. Year 7 - Zaina - This drop down day I enjoyed the fun activities the teachers planned for us, such as a teacup race - which spills a lot of water! I also found it fun making Oreo truffles, and also a second activity to be pin the lid to the tea pot. Year 7- Tasnim - Today was a really fun day, I enjoyed making Oreo truffles and I also enjoyed all the activities like the teacup race. Year 7 - Zarah - I enjoyed spending lots of time with my class together collectively. I enjoyed playing the activities and games and seeing my teachers join in the games too.
