

QUIGS Drop down day

Year Group

Year 1 and reception

Trip Location

Kew Gardens

QUIGS Drop Down Day-
Wednesday 30th March 2022

The girls enjoyed a visit to Kew gardens and were able to use their knowledge relating to plants this term to identify species of flowers and plants. They had the opportunity to look at trees up close and look at detail. They enjoyed exploring the outdoors and playing in the sand using their imagination to build sandcastles and play with natural materials

Rumaysa "We saw flowers and we went to the gift shop it was fun".

Nabiha- "I was enjoying going together and my favorite part was the blue flowers"/

Hafsah- "The red tower, and the bridge. I saw the trees in the greenhouse and the banana tree".
