

Drop Down Day

Quwwat ul Islam Girls' School

Year Group	Year 5
Trip Location	National Maritime Museum

The trip to the National Maritime Museum was linked to KS2 History curriculum. At the Museum, students were able to discover stories of exploration and endeavour what has shaped our world today.

This opportunity allowed students to have a better historical understanding - extended, deep and chronological knowledge and understanding of world history, that provides a well-informed context for wider learning.

Students were also able to identify the similarities and differences between life during a time in the past and life today.
