| Trip Location                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | Southend-On-Sea |
| <p>Esha- "It's really nice and windy on the ferris wheel". They enjoyed the view from the top and the cool breeze was really nice. "We can see the sea and we can see far far away".</p> <p>Amaanah- " I liked the rollercoaster and I wasn't scared but I had to scream a little bit".</p> <p>Maryam- My favourite was the rollercoaster and I enjoyed the train teddy bear ride. The monkey ride.</p> <p>Sumaiya- My favourite thing today was going on the Ferris wheel. The crooked house was lots of fun.</p> <p>Inaayah Khadijah- I enjoyed going on a rollercoaster and going in the bendy house. We ate lunch outside the flying elephants. The rides with Miss were really good.</p> |                 |
|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |                 |
