 2022

Year Group	Year 11
Trip Location	Onsite Team Building

Amal Omer – Today taught us much about communication. It was interesting to work around these activities with a large group of us, but this educational experience was one to learn from.

Hidaayah Baker – Despite activities seeming to be simple, there was much to learn regarding others allowing us to bonding with classmates and learn about ourselves. There is a lot of teamwork required which is important to allow us to be successful in what we do.
