

QUIGS Drop down day

Year Group	Year 6
Trip Location	Imperial War museum

Year 6 visited the Imperial War Museum. They completed a quest to find answers to story seekers. This gave them an Insight to WWI and WWII.

Aisha Ahmed- I really enjoyed the quest as it allowed me to learn about what people went through during the war and what they experienced.

Khadeejah Ahmed- I loved this trip because we have been learning about WWII for a long time and it was nice to see the planes and the tanks. The best thing I enjoyed was the trenches.
