

QUIGS Drop down day

QUIGS Drop Down Day-
 Wednesday 22nd February
 2023

Year Group	Year 3 and 4
Trip Location	Central London (The gherkin, The Garden at 120)

Year 3 and 4 visited some of the key landmarks in London to get a closer look at the buildings they have been learning about. They had the opportunity to visit The Gherkin and The Garden at 120 and did some live sketches. As it was raining, we made our way to East London Mosque where we had lunch, did wudhu and prayed our salaah. We took the train back to school.

Safiyyah Salim - "Miss I really enjoyed praying in the masjid today, it was really nice".

Khadija - "Even though it was raining it was still nice to see the places and the Tower of London. When it's sunny it must look even nicer from up here"

I enjoyed the big buildings especially the gherkin. - Hafsah Kara

I really liked the garden, especially the view from the top. – Zaynab

I enjoyed that we got to go the masjid. I liked the part when we got to the top and did sketching. The trees on the projector were really cool – Maryam and Safiyyah M
