

QUIGS Drop down day

QUIGS Drop Down Day-
 Wednesday 22nd February
 2023

Year Group	Year 5 and Year 6
Trip Location	Science Museum
‘I liked listening to the speakers and the videos. I also enjoyed looking at the planets.’ Maryam Rahman ‘I really enjoyed this trip, it was fun and we saw all these cool artefacts which were from WWI and WWII. We all learnt something new and the teachers always made sure that we were safe. So overall, the whole year 6 enjoyed it.’ Misbah Mulla ‘The science trip was really fascinating and the medicine section was fun and interesting’. Asma Pirbhai ‘I think the trip was amazing and my favorite bit was the space exhibit and how I learnt about all the food astronauts eat. I also learnt how much all the medical machinery and medicine and medicine and before antibiotics and anesthetic surgeries were painful.’ Aisha Ahmed
