HADITH OF THE WEEK: The Messenger of Allah (ﷺ) said, "If anyone constantly seeks pardon (from Allah), Allah will appoint for him a way out of every distress and a relief from every anxiety, and will provide sustenance for him from where he expects not." ~ [Abu Dawud].

**Assalamu'alaikum Warahmatullahi
Wabarakatuhu**

Dear Parent/Carers,

I pray this finds you in the best of health and Imaan
Insha'Allah.

The end of year assessments for our KS3 and KS4
(Year 10) students started last week and
alhamdulillah the students have been trying
extremely hard in their revision and showing
dedication to achieve their very best.

Please continue to ensure a regular revision routine
is established at home. This should also include
eating nutritious healthy meals and having a good
sleep routine. JazakAllah for all your support during
this important time so far.

This is a polite reminder for all that portable
hand-held fans cannot be brought to school due to
health and safety implications as well as the
potential of the fans becoming lost or damaged.

Kindly note, that as the health and safety of our
pupils is paramount, we have several measures
such as fans and air conditioning units in place to
ensure that the temperature in our classrooms are
regulated and that there is full ventilation.

**Kind regards,
Mrs Member (Headteacher)**

Heat warning

The forecast for this week is suggesting that temperatures
will be very high and we want to ensure that your children
are safe and comfortable outdoors.

Guidance can be found here:

<https://www.gov.uk/government/collections/hot-weather-and-health-guidance-and-advice#:~:text=children%20should%20not%20take%20part,wide%20brims%20to%20avoid%20sunburn>

Key advice from DfE guidance:

Protecting children outdoors

During periods of high temperature, the following steps
should be taken:

- children should not take part in vigorous physical activity on very hot days, such as when temperatures are in excess of 30°C
- encourage children playing outdoors to stay in the shade as much as possible
- children should wear loose, light-coloured clothing to help keep cool and sun hats with wide brims to avoid sunburn
- use sunscreen (at least factor 15 with UVA protection) to protect skin if children are playing or taking lessons outdoors for more than 20 minutes
- provide children with plenty of water (such as water from a cold tap) and encourage them to drink more than usual when conditions are hot

Summer holidays – Parents guide to help keep children safe online

School's out for summer!

It's always best to be prepared

During the summer holidays, without the distraction of school, internet usage for many young people can increase all the way up to September. This guide is designed to help parents with a realistic approach to help keep their children safe when using the internet, social media and playing online games. Please click on each image below for more information.

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school if you would like to attend a parents internet safety workshop or have any concerns.

Schools please [contact us](#) if you would like a SKIPS Safety Net session delivered to your parent groups or staff.

Absences before or after a school holiday

If your child is absent before or after a school holiday, you must provide evidence explaining the absence. This may be medical evidence if your child is unwell or evidence of flight delays or circumstances beyond your control.

Without this evidence you risk being issued with a penalty notice.
