HADITH OF THE WEEK: "Actions are (judged) by motives (niyyah), so each man will have what he intended. Thus, he whose migration (hijrah) was to Allah and His Messenger, his migration is to Allah and His Messenger; but he whose migration was for some worldly thing he might gain, or for a wife he might marry, his migration is to that for which he migrated." [Al-Bukhari & Muslim]

Assalamu'alaikum Warahmatullahi Wabarakatuhu

Dear Parent/Carers,

I pray this finds you in the best of health and Imaan Insha'Allah.

Alhamdulillah, our MacMillan Coffee Morning went down a treat last week! On Wednesday morning our meeting table was awash with our favourite confectionary concoctions, along with a selection of savouries for good measure.

We would like to say JazakAllah Khair to all the students, parents and staff who donated delicious food and offered their support to help us raise **£177** for MacMillan Cancer Support, Alhamdulillah. You have made it possible to help people with cancer, their carers and loved ones.

It was lovely to see parents/carers at our coffee morning and where parents/carers could not attend this event they either baked a cake or sent some cakes in to sell and donated money.

If you would like to donate please visit the following website:

Below are a few pictures of the tempting treats that were on offer at the event:

Kind regards,
Mrs Member

Black History Month

During October the UK Celebrates Black History Month. The main aims of Black History Month are to celebrate the achievements and contributions of black people not just in the UK, but throughout the world and also to educate all on black history.

The theme for Black History Month 2023 is **'Saluting our Sisters'**. It highlights the crucial role Black women have played in shaping history, inspiring change and building communities.

In schools, children are taught about the history of black British people. Typically, the achievements of inspiring black British role models such as athletes, authors, poets, actors and musicians are celebrated, too. It is essential to ensure that our students know what Black History Month actually is and why it is celebrated. There are several activities relating to Black History month and great ideas for home and at school on the following websites:
