HADITH OF THE WEEK: On the authority of Abu Hurairah, who said: The messenger of Allah said:

"Each person's every joint must perform a charity every day the sun comes up : to act justly between two people is a charity; to help a man with his mount, lifting him onto it or hoisting up his belongings onto it is a charity: a good word is a charity, every step you take to prayers is a charity and removing a harmful thing from the road is a charity." Drop Down Day

'Drop Down Day'. Drop Down Days', are 'off-timetable' days, which replace structured classroom lessons with activities used to strengthen students' practical application of skills and provide a deeper learning experience.

Drop Down Days provide students with the ability to be equipped in valuable life skills which extend beyond the classroom context, serving to promote overall health and well-being.

Quwwat-ul-Islam Girls' School arranged indoor activities for all year groups which focused on 'Children's Islamic rights':

We focused on the following learner driver:

Caring for Our Rights

It is hugely important for us that our children have a clear understanding of their human rights and are confident in understanding that these rights apply equally to everyone. However, most importantly our children will learn the they have the right to feel safe, be protected from harm and be happy and confident individuals.

As an Islamic school our children will have the opportunity to work collectively with the whole school community to help embed the ethos and culture of Islamically held rights for children and to ensure that they are being met through whole school agreed initiatives. This is vital to help our pupils improve their understanding of equality, dignity, **respect** and non-discrimination.

This will help our pupils to promote a calm and caring environment with embedded agreed **respectful** communication and language implemented throughout the school community. It is important for us that children are given the opportunity to learn about the wider world and understand their responsibilities so that they can develop into, '**respectful, aspirational and responsible, well rounded young individuals.**'
