HADITH OF THE WEEK: On the authority of Abu Hurayrah (may Allah be pleased with him) who said: The Messenger of Allah (peace be upon him) said: "Allah the Almighty is good and accepts only that which is good."
[Muslim]

Assalamu'alaikum Warahmatullahi Wabarakatuhu

Dear Parent/Carers,

I pray you are in the best of health and Imaan,
Insha Allah.

We have been working hard to follow up all school absences. Please only keep your child at home if they are very unwell. We are working really hard to close the gaps in your child's learning caused by the spread of viruses.

Please continue to work with us to make sure your child is in class and ready to learn each morning. This really helps them to have a productive day at school.

I would advise you to keep washing hands and to stay warm. As always, we are committed to placing your child's education and wellbeing at the heart of all we do. We are here to support you. Please do not hesitate to contact the school if you have any concerns.

"O Allah, Lord of mankind, do away with my suffering. Heal (me) as You are the only Healer and there is no cure except that of Yours, it is that which leaves no ailment behind"

[Bukhari]

**Kind Regards,
Mrs Member**

Winter time

As winter approaches and we welcome the colder weather, we worry a little more about our children's health. After all, cold and flu season can hit them pretty hard! So we wanted to discuss the importance of keeping your children warm this winter. We're also sharing our top tips to help ensure they remain healthy and happy despite the harsh weather conditions.

Why is it so important to stay warm in winter?

We can become more susceptible to coughs, colds and respiratory viruses throughout the winter. There are a few reasons why.

Firstly, the cold air inhibits our body's ability to ward off respiratory infections. Secondly, viruses can survive longer in cold, dry conditions – so they can circulate for longer. And thirdly, we spend a lot more time in close contact with others as we huddle indoors throughout the winter. As a result, infections can spread quickly throughout schools and nurseries.

So, what can you do to keep your children warm and ward off infections this winter?

- Wear lots of layers
- Stay active
- Have warm drinks and dinners
- Wash your hands
- Stay warm

Apprenticeship Fair

The Newham Apprenticeship Fair will be an opportunity for Newham residents and students to explore the range of apprenticeships available. During the event you will be able to:

- meet a wide range of employers with live apprenticeship opportunities
- learn more about different companies and sectors
- understand the application process
- explore different apprenticeship levels
- find out about pay and benefits
- hear from the experience of current and previous apprentices'
- have the opportunity to network.

For more information and to book the event please visit:

<https://www.eventbrite.co.uk/e/newham-apprenticeship-fair-2024-tickets-780151412877>

Parents who wish to take their daughters (Year 11) to the fair are welcome to do so and leave will be authorised inshaAllah.

KS2 SATs Parent Workshop

A poster for a KS2 Parent Workshop. The background is dark red on the left and blue on the right. The blue section features a pattern of white line drawings of school-related items: a pencil, a ruler, a protractor, a compass, a globe, a book, a pencil sharpener, and a pair of scissors. The text is white and yellow. At the top left is a small logo of a school building. The main title 'KS2 PARENT WORKSHOP' is in large white letters. Below it, the date, time, and venue are listed in white. A paragraph of text in yellow explains the purpose of the workshop. At the bottom, contact information is provided in white. A small footer at the very bottom reads 'Made with PosterMyWall.com'.
