Islamophobia Awareness month

The Year 5 students led an assembly in recognition of Islamophobia Awareness Month, during which they explored several key aspects of the topic. They provided a clear explanation of what Islamophobia is and offered relevant examples. In addition, they outlined ways in which we can collectively stand up to and challenge Islamophobia.

Islamophobia Awareness Month

Presented by Year 5

What is Islamophobia?

Islamophobia means treating someone unfairly just because they're Muslim.

It often comes from misunderstandings. When people learn the truth, fear disappears.

Islam teaches peace, kindness and justice. When people misunderstand Islam, it can lead to fear or unfair treatment. Our job is to educate others with confidence and positivity.

It can happen in schools, online, in the news, or in public. It is hurtful, and sometimes frightening, but we can learn to challenge it in a safe and sensible way.

Stereotypes Debunked!

"Muslim girls are FORCED to wear hijab"

Stereotypes Debunked!

"All Muslims are violent and scary"

What Islam REALLY teaches

Islam teaches peace - "As-salaam" means peace.

Islam teaches justice - we must be fair, even when things are difficult.

Islam teaches kindness - the Prophet ﷺ said the strongest people are those who control their anger.

When people truly understand Islam, they see beauty, fairness, and compassion.

How WE can challenge Islamophobia

Educate others with calmness and confidence.

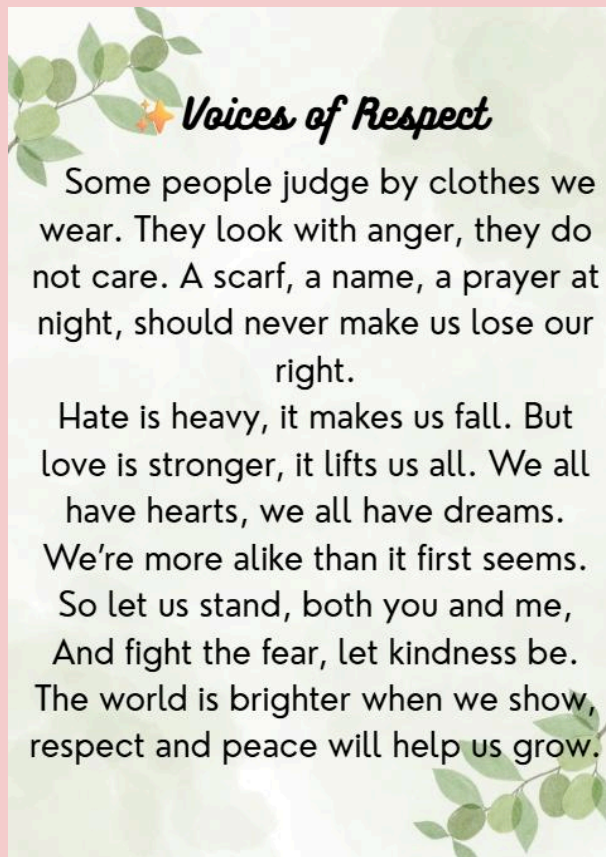

Correct misinformation in a respectful way.

Stand up for ourselves and others safely.

Show kindness - it changes hearts more than arguments ever will.

New City College visit

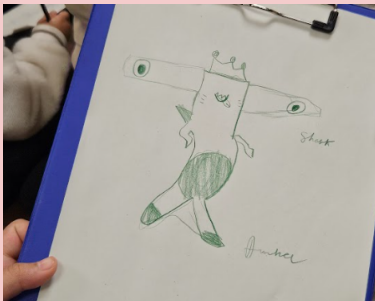

New City College (NCC) engages with secondary schools through its Schools Partnership Provision, offering assemblies, workshops, taster days, and a range of support for both teachers and students.

Recently, a member of the NCC team visited our Year 11 students to share information and guidance about college life and the various opportunities available to them in the future.

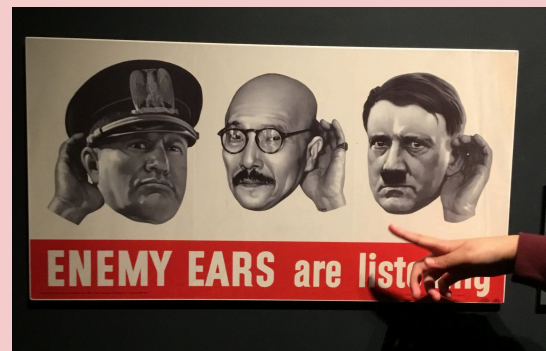

KS2 Library visit

The KS2 students visited Forest Gate library where they joined the author Marcela Ferreira on a reading of her latest picture book, a tale about learning to face your fears, *I Could Be Eaten By a Shark!* The event featured an exciting shark quiz, a draw-along, and a chat about our own fears. Marcela also talked about writing in a second language encouraging children to share their own experience.

Year 6 War Museum Trip

Imperial War Museum is the world's leading museum of war and conflict. Founded while the First World War was still raging, it gives voice to the extraordinary experiences of ordinary people forced to live their lives in a world torn apart by conflict. Year 6 had the opportunity to hear extraordinary true stories of ordinary people's experiences of conflict; stories that have the power to move, inspire and transform. This gave them an insight to WWI and WWII.
