Hadith of the Week: Narrated `Abdullah:

The Prophet (ﷺ) said, "Truthfulness leads to righteousness, and righteousness leads to Paradise. And a man keeps on telling the truth until he becomes a truthful person. [Sahih al-Bukhari 6094]

Assalamu'alaikum Warahmatullahi Wabarakatuhu

Dear Parent/Carers

I pray this finds you in the best of health and Imaan Insha'Allah.

On behalf of Quwwat-ul-Islam Girls' school, we pray that you had a restful break and I welcome you to the start of our summer term.

As GCSEs and Year 6 SATs are fast approaching, we keep all of our students in our thoughts and prayers during this important time. We pray that Allah grants them ease, focus, and success as they revise and prepare for their exams.

May their hard work be rewarded and their efforts bring them confidence and achievement.

We wish all our students the very best in the weeks ahead.

**Kind Regards,
Mrs Member (Headteacher)**

Our Nursery Open Morning

Alhamdulillah, this week marked a very special milestone for our school as we proudly opened our new nursery department. The atmosphere has been filled with excitement as we welcomed our youngest learners into their new environment.

On Monday, we were delighted to host our open morning, giving us the opportunity to warmly welcome children and their families. It was a pleasure to meet so many of you and begin building the strong relationships that are so important in early years education. Parents and carers were invited to explore the setting, meet our dedicated staff team, and learn more about our nurturing approach to learning.

During the morning, we introduced our curriculum, which is carefully designed to support children's development through play, exploration, and meaningful experiences. Our aim is to create a safe, stimulating, and inclusive environment where every child feels valued and inspired to learn.

The children enjoyed exploring the different areas of the nursery, engaging in a variety of activities that sparked curiosity and creativity.

We are incredibly proud of this new chapter and look forward to working in partnership with our families as we support each child on their learning journey, inshaAllah.

JazakAllah Khair to everyone who attended and helped make the morning such a success—we are excited for all that lies ahead!

Year 11 GCSE

Year 11 will Insha'Allah commence their GCSE Examinations on **Thursday 7th May 2026** with the final GCSE examination taking place on **Monday 15th June 2026**.

It is very important that a regular revision routine is established at home. This should also include eating nutritious healthy meals and having a good sleeping routine.

The GCSE Examination Board has strict regulations regarding late arrivals for exams. Penalties may include reduced time given for the exam and/or exclusion on from sitting the exam.

Please note: All students MUST be onsite by:
8:00am for **Morning Examinations**.
12:00pm for **Afternoon Examinations**

Students are required to wear full school uniform throughout their GCSE examinations.

We would like to take this opportunity to thank Year 11 for all of their hard work and their dedication to making Quwwat Ul Islam Girls' School a thriving community. We have every confidence that they will achieve outstanding results, we pray that Allah (SWT) brings them ease and success, Ameen.

Year 6 SATs

The Year 6 SATs will start the week beginning **Monday 11th May 2025**.

Students have been working very hard over the past few weeks and this week they are completing their MOCK SATs in preparation for their final SATs exams. This is a very important week and we ask you to ensure that your child is fully prepared and ready for their upcoming SATs.

Please ensure your child is well rested and that they have an early night in preparation for the following day. Please also ensure that your child arrives at school on time. Punctuality is very important, especially during SATs week. We ask at all times (and especially during SATs week) that children are not taken out of school during the day.

We fully appreciate your cooperation in this matter.

If your child is unwell, please contact the school before school starts, as the SATs have to be completed on specific days.

May Allah (swt) bless all the students for their efforts, hard work and determination during this crucial time and grant them all a very successful outcome. Ameen.

We are delighted to celebrate the success of Anaya K from Year 9, who achieved an impressive second place in the competition. This is a wonderful accomplishment, and we are incredibly proud of her achievement.

The image shows a collection of items related to a Young Writers' competition. On the left is a large, colorful certificate with the text 'No.1 amazing win well done the 2nd CHAMP! #1 We have a winner! FIRST PLACE SUPER SUCCESS WAY to SUPERSTARS'. In front of the certificate is a silver star trophy on a wooden base. To the right is a white envelope with the Young Writers' logo and address. In front of the envelope is a white box containing a pair of white AirPods. The items are on a wooden surface.

Recovering hacked online accounts

A hacked account occurs when someone steals your login credentials—usually through AI-powered phishing or data breaches—to impersonate you for financial fraud or data theft. In 2026, security relies on assuming these breaches will happen, making phishing-resistant tools like biometrics and passkeys essential for protection.

Below is a step by step guide to recovering online accounts

Recovering hacked accounts

A step-by-step guide to recovering online accounts.

Whether it's your email, a social media account, or your online bank, losing access to a digital account can be stressful. This page summarises what you can do to minimise any damage, and how you can regain access to your accounts.

How to tell if you've been hacked

Check your online accounts to see if there's been any unauthorised activity. Things to look out for include:

- being unable to log into your accounts
- changes to your security settings
- messages or notifications sent from your account that you don't recognise
- logins or attempted logins from strange locations or at unusual times
- unauthorised money transfers or purchases from your online accounts

In some cases, it may not be possible to recover your account with the online service. In such cases, you'll have to create a new account. Once you've done this, it's important you give your contacts your new details, and tell them you've abandoned the old account. Make sure to update any bank, utility or shopping websites with your new details.

1. Contact your account provider

Go to the account provider's website and search their help/support pages which will explain the account recovery process in detail. It's likely to be different for each account.

2. Check your email account

Check there are no unwanted forwarding rules in your email account. Cyber criminals may set up rules which means they'll automatically receive copies of all emails sent to your account (which would allow them to reset your passwords).

3. Change your passwords

Change the password for any account that has been hacked, and also for any accounts that use the same password. Cyber criminals know that people use the same password for different accounts, and so will try the same 'hacked' password across multiple accounts.

4. Force all devices and apps to log out

This can usually be done from the 'Settings' menus of the app or website (or it may be part of the 'Privacy' or 'Account' options). Once you've done this, anyone attempting to use your account will be prompted to supply the new password.

5. Set up 2-step verification (2SV)

2SV (which is also known as two-factor authentication or 2FA) usually works by sending you a PIN or code, often via SMS or email, which you'll then have to enter to prove that it's really you. So even if a criminal knows your password, they won't be able to access your accounts.

6. Update your devices

Apply updates to your apps and your device's software as soon as they are available. Updates include protection from viruses. Applying these updates promptly is one of the most important (and quickest) things you can do to prevent your account from being hacked.

7. Notify your contacts

Contact your account contacts, friends or followers. Let them know that you were hacked, and suggest they treat any recent messages sent from your account with suspicion. This will help them to avoid being hacked themselves.

8. Check your bank statements and online shopping accounts

Keep a look-out for unauthorised purchases. Check your bank accounts for any unusual transactions. You can contact your bank directly for further support. Always use official websites or social media channels, or type the address directly into your browser. Don't use the links in any messages you have been sent.

9. Contact Action Fraud

If you've lost money, tell your bank and report it as a crime to Action Fraud, the UK's reporting centre for cyber crime (in Scotland, contact the police by dialling 101). You'll be helping the NCSC and law enforcement to reduce criminal activity.
