GCSE Examinations

We are incredibly proud of our Year 11 students and the mature, positive way they have approached their GCSE examinations so far.

Throughout the exam period, they have demonstrated resilience, determination, and a strong commitment to their studies.

Their excellent attitude and conduct have been a credit to themselves, their families, and the school, and we wish them every success as they complete the remainder of their exams, inshaAllah.

DUA DURING THE EXAM

رَبِّ اِشْرَحْ لِي صَدْرِي وَيَسِّرْ لِي اَمْرِي
وَاحْلِلْ عَقْدَةً مِنْ لِسَانِي يَفْقَهُوا قَوْلِي

My Lord, open up my chest, and ease my task for me, and remove the impediment from my speech so that they may understand what I say.

ARTIFICIAL INTELLIGENCE (AI)

AI has been embedded into almost every online platform in recent years.

Simply searching for something online now brings up an AI explanation, and chatbots are now features of social media platforms. This means that interacting with AI is inevitable, and it is important that you understand what AI is, how it works and how to manage the risks around it.

Children shared how they would describe AI to their parents and carers and how they and their friends use AI in their everyday lives:

How do children describe AI?

“Intelligence created by humans to make their lives a little bit simpler and it’s applicable to many different fields, like education and healthcare.”

“It’s a place for information when you can’t be bothered to find the information.”
